Folded Corner Bookmarks

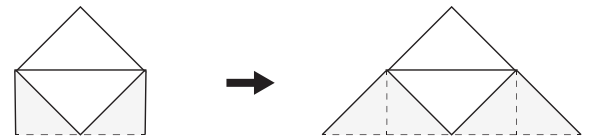

Follow the directions below to fold your own corner bookmarks!

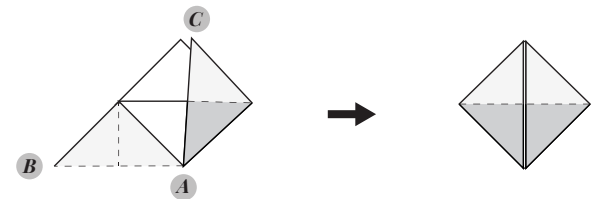

- 1 Fold your square along the dotted line, making sure the illustrations facing away from you.

- 2 Fold down point *A* to the bottom fold
- 3 Fold in the corners of points *B* and *C* to the center

- 4 Now that the corners are folded in, open up the fold to the position of Step 3.

- 5 Fold up point *C* to the top. Repeat the same with point *B*

Note: The images will be aligning in the lower half.

- 6 Fold and tuck in the top coners into the square bringing together a fun new bookmark!

Cut along the solid lines ✂

Use these two squares to decorate and fold your very own corner bookmarks!
